

## SL MIKRO

At just 126 × 57 × 47 mm, the Artcoustic Mikro fix onto walls or ceilings yet delivers astonishing output and clarity.

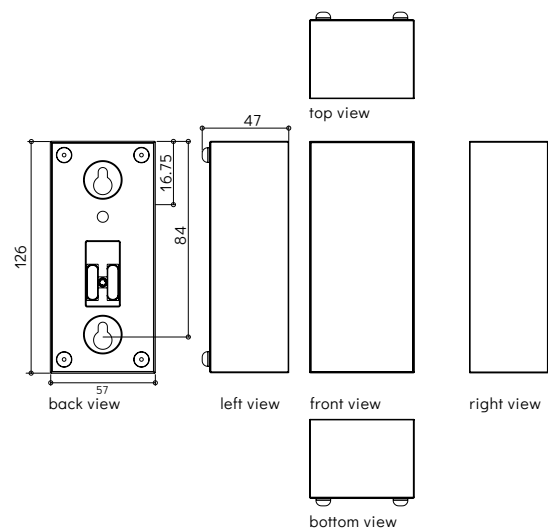

With 100s of colour options, and weather-resistant design, Mikro is perfect for both residential and commercial spaces. Pair with an Artcoustic subwoofer for a discreet, full-range high-fidelity system. The Mikro can also be assembled in arrays of up to three speakers, offering greater output and flexibility while keeping the same compact, discreet form.
