

STEINWAY L Y N G D O R F

Steinway & Sons
MODEL D

The Model D is a full range floor-standing dipole speaker which emits sound from both front and back. Unrestricted by the vibrations of conventional cabinets, it interacts with the room like a Steinway & Sons grand piano does, resulting in extremely open and life-like musicality, with no resonance and no coloration.

A FLAGSHIP MASTERPIECE

The Steinway & Sons Model D speaker offers one of the most exquisite audio experiences in the world. This flagship masterpiece is designed for the discriminating audio aficionado. Combining state-of-the-art innovations in sound reproduction with finely-crafted aesthetics, the Model D is the first - and best - speaker of its kind.

BUILT BETTER

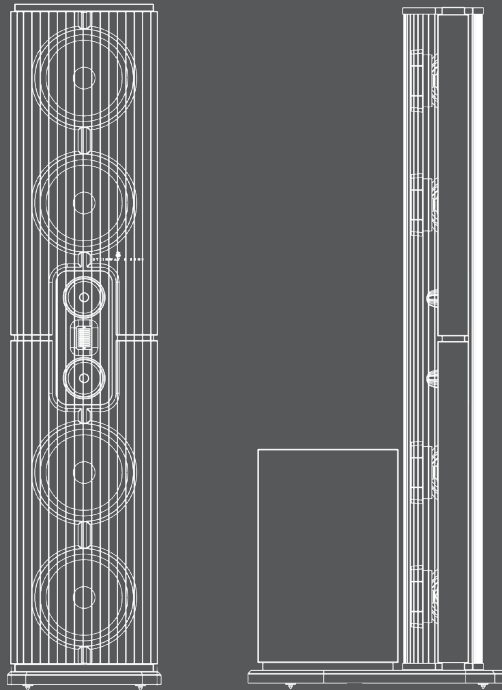

With more than 170 hours of precision machining behind each speaker, the Model D speaker is a rugged powerhouse of strength and performance. The baffle is milled from solid blocks of aluminum to offer complete stability to the drive units. The result is perfect audio reproduction and completely stabilized synchronicity between signal and sound.

FULLY DIGITAL

The Model D integrates with the A1 or A2 fully digital amplifiers and sound processing. Its fully digital functioning means it is immune to analog sound degradation, because all signal processing is handled 100% in the digital domain. Unlike analog, which reproduces the sound and inevitably adds its own flavor, fully digital means live sound is replayed completely intact, delivering the sensation of live performance with incredible sound quality.

FINISHING TOUCHES

For the most formal presentation, the Model D is available in an iconic black lacquer. And to complement any personal style, it's also available in a wide selection of exquisite custom wood and high-gloss color lacquers.

SPECIFICATIONS

Description:	Floor-standing dipole speaker
Frequency response:	20 -22 k Hz
Maximum SLP @ 1 meter:	117 dB
Amplification needed:	2 channels
Input:	Digital Link (CAT 5e based)
Power rating:	2 x 400W @4 Ohm
Dimensions (W x H x D):	46.4 x 205.8 x 79.7 cm / 18.27 x 81.02 x 31.27 in
Weight:	174 kg / 383.6 lbs
Finish:	High-gloss black with gold or chrome accents Custom colors and wood finishes available
Item no.:	90013020x
Country of origin:	Denmark
